Dear Parents / Carers

### **INDUSTRIAL STRIKE ACTION**

This letter is to inform you that the school will be closed to all students on Thursday 30<sup>th</sup> June 2011. This is due to industrial action being taken by members of the professional organisations the National Union of Teachers (NUT) and the Association of Teachers and Lecturers (ATL). The industrial action is being taken in protest at the proposed changes being made to pensions and retirement ages.

Due to the numbers of teaching staff involved we would have inadequate levels of supervision of students if we were to open. We realise this may cause parents inconvenience and apologise in advance.

Yours faithfully

**Denise Spence**
